

cardPresso Upgrade

The upgrade is an online procedure based on serial number of license that customer need to provide you, follow these steps to get it:

1 - Ask customer to run cardPresso and then go to menu **CP | cardPresso License**:

2 - Then ask him to send you the **SN** (you can select it and copy):

3 – Request now the upgrade near cardPresso Sales Dept. (sales@cardPresso.com) , you will be informed when ready.

4 - Ask customer to go again to menu **CP | cardPresso License** and click on **Check for Upgrades** button and the new license will be loaded on the USB key.
